## 5. Others

- **The pick-up service may not cover your residential area**, so your choices are:
  1. **I can help:** Take your bottles to me, I will deal with them
  2. **Ask your friend:** Take your bottles to one of your friends (ideally in our club) and ask him/her to order a pick-up for you; at the same time, let me know so I can keep my tracking correctly
  3. **Do by yourself:** Take your bottles to a bottle depot store, and transfer the money to our treasurer
